## African Special

**PB 73313 3# PB 79313 20# PB 74313 40#**

Designed for most African species and medium and large conures, contains higher calcium. 14% protein and 8% fat in medium sized morsels.

## Eclectus Special

**PB 73318 3# PB 79318 20#**

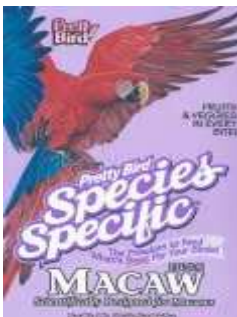

Manufactured with fructose which is a naturally occurring ingredient in fruit in a smaller shaped nugget. Manufactured with 16% protein and 6% fat in medium sized morsels Eclectus love fruit which should be offered on a daily basis.

## Hi- Pro Special

**PB 79311 20#**

Designed primarily for cockatoos and amazons, this food provides a higher protein level and a lower fat level to ensure proper nutrition but minimize weight gain in adult birds. 17% protein and 4% fat in medium sized morsels.

## Hi- Energy Special

**PB 79310 20#**

Designed for species that require high fat levels such as macaws, golden conures and black palm cockatoos. This food provides the high fat content required by these species with the proper vitamins and minerals to provide a balanced diet. Available in medium sized morsels with 16% protein and 10% fat.

Call for availability.**

# Southern Pet Supply, Inc.

## Lory Special

**PB 73315 3# PB 79315 20#**

An easy to feed alternative to messy nectar diets and contains fructose. Lories also love fruit which should be offered on a daily basis. 16% protein and 6% fat in mini sized morsels.

## Softbill Select

**PB 73314 3# PB 79314 20#**

Simplifies the feeding and management of softbill birds such as mynahs and toucans. Manufactured with fructose, a naturally occurring ingredient in fruit in a smaller shaped nugget. Iron levels are less than 60 ppm, which is well below the safe max. levels currently recommended. Softbills love fruit which should be offered on a daily basis. 18% protein and 8% fat.

## Daily Lite

**PB 78123 20#**

Lower fat is the primary feature in this diet and it is designed for overweight birds, which tend to be in the Amazon group and the larger cockatoos. 14% protein and 3% fat in medium sized morsels. Only available in 20 lb. bags.

## Breeder Select Small

**PB 79123 20# PB 74123 40#**

Breeder diets contain 16% protein and 10% fat plus extra calcium. Our original breeder formulation is available in a colored and flavored format.

## Breeder Select Medium

**79124 20# PB 74124 40#**

Breeder diets contain 16% protein and 10% fat plus extra calcium. Our original breeder formulation is available in a colored and flavored format.

**To Order Call 504-739-4791**

**NOTE: Some items may be available in other special order sizes.  
Call for availability.**

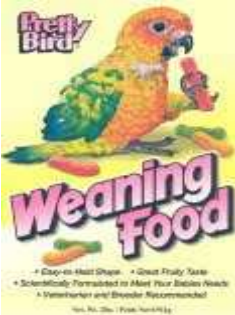

# Southern Pet Supply, Inc.

## Natural Breeder Select Medium

**PB 79130 20#**

Breeder diets contain 16% protein and 10% fat plus extra calcium. Natural Breeder Medium is available in a "natural" uncolored format with very light flavoring applied.

## Weaning Food

**PB 79316 20#**

This product has the same nutrition as the breeder food but is extruded in a corn curl shape that is easier for young birds to hold while they are learning to eat. Weaning can be fed either dry or moistened.

## 19/12 Handrearing Formula

**PB 75012 5#**

The formula of choice for most species. Works very well for African birds, Macaws, Conures, Pionus, Cockatiels, Love Birds and Quakers. The first number in the title of the Handrearing denotes the protein content and the second number denotes the fat content. Handrearing should be stored in a cool, dry place, refrigerated or placed in a deep freezer. Properly stored, handrearing will remain fresh until the expiration date printed on each package. This formula is available in 5 lb. bags.

## Conure-Small African Jungle Munchies

**PB 64325 20#**

Our Ultimate seed mix for the smaller hookbills contains safflower, oat groats, Pretty Bird extruded morsels in two sizes, sunflower, wheat, pumpkin seed, white proso millet, raisins, pine nuts, pistachios, cantaloupe seed, watermelon seed, puffed corn, apricots, papaya, coconut, banana chips and peppers.
